The Honorable Kay Granger
Chairwoman
Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting community project funding for a High Injury Network Streetlight Safety Upgrades project in fiscal year 2024. The entity to receive funding for this project is the City of Las Vegas located at 495 S. Main Street, Las Vegas, NV 89101.

The funding would support the procurement and installation of over 3,500 upgraded streetlights along seven corridors to improve safety for all modes of transportation.

This project is an appropriate use of taxpayer funds because the improvements will assist the City of Las Vegas with advancing their efforts to provide the utmost safety for all users of the transportation system, maximize energy savings and sustainability, and minimize system maintenance which will reduce costs in the long-run.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. §133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Dina Titus".
